

52 week money saving challenge

Here's how it works, simply save the amount according to the number of that week in the year. So week 1 of the New Year you save £1, then week 2 save £2, week 3 save £3 and so on. This can be done with any amount you choose can also be done in reverse, saving £52 in the first week & decreasing the amount you save by £1 every week. You can do this with 20p, 50p, £2 coins – Do it to suit your budget.

You may print out this page and use it to monitor you progress.
