

## SavvyMum's 365 day 1p saving challenge

### Save £667.95 in 365 days

**Instructions:** Grab yourself a savings jar of any kind. Start on 1st January. There are 3 ways you can do this. Firstly you can start at the very beginning and put 1p into the jar then on the 2nd day put 2p in, 3rd day =3p and so on. The second way of doing this is in reverse, start with the largest amount and work backwards. The final way of doing this is in any order you like as long as you remember to tick off the box next to the ones you have completed already.
